Join one of the best-known luxury brands in the world to take your business understanding from theory to practice in a fast-moving global organisation where the entrepreneurial spirit is very much alive.

As a financial intern, you will develop your professional and personal competencies as you make your mark on a growing retail brand organisation, where drive and performance are rewarded with the chance to develop and drive projects and tasks independently.

**Work with finance and performance management in the B&O PLAY Global Finance department**

At our offices in Lyngby, close to Copenhagen, you will join an international team who live and breathe the brand and take a modern approach to financial performance management. Organizationally, we are a part of Bang & Olufsen.

As a full-time intern, you will work side by side with 3 experienced colleagues who are responsible for financial and business performance management. You will be reporting directly to B&O PLAY CFO. We are looking forward to welcoming you as a key member of our team.

**Work with reporting and analysis from a commercial point of view**

The duration of your internship will be one semester, preferably starting in January 2018 (approximately 4-5 months – dates are flexible), while you do your degree. Working with financial capacity cost reporting and analyses, you will support the future growth of

B&O PLAY by contributing to all aspects of our financial performance management. This includes monthly capacity cost reporting, but also performing Marketing Development Funds (MDF) ROI analyses on an ad hoc basis. Specifically, your tasks include:

- carrying out sales reports and analyses
- supporting the development of overall commercial reporting
- management reporting, including conducting the underlying analyses
- preparing PowerPoint material that is concrete, clear and concise

All in all, you will get a well-rounded idea of what life is like in a global and commercially driven finance department.

**Commercial profile studying at master's level**

As a person, you possess a great individual drive, allowing you to go the extra mile while maintaining structure in your daily work. Furthermore, you have a strong analytical mind-set that enables you to conduct thorough analyses which you can put into a business context. Moreover, you thrive in an informal atmosphere and wish to contribute as an equal member of our team.

Academically, the most important factor for us is that you have a holistic business understanding. Most likely, you are building a commercial understanding through your master’s studies in international business, finance and strategic management, international marketing and management or similar – maybe at Bang & Olufsen.
Finance intern for B&O Play

Copenhagen Business School, or perhaps abroad. You know how to translate vast amounts of data into easily understandable findings while maintaining a high level of detail. Finally, you are a skilled Microsoft Excel and PowerPoint user, and you speak and write English fluently.

About B&O PLAY

Firmly grounded in decades of design excellence, craftsmanship and product innovation from Bang & Olufsen, B&O PLAY interprets the same values for a new type of contemporary product aimed at design-conscious urbanites with an active lifestyle. The B&O PLAY portfolio is made up of products that are intuitive to use and easy to integrate into your daily life – at home or on the move.
